PREMIER EARTH AUGERS

POWER FOR VIRTUALLY ANY DIGGING APPLICATION

Premier Attachments, with our modern state-of-the-art manufacturing facility located in Fort Wayne IN, has built the most reliable earth auger attachments for over two decades. With a complete and comprehensive line of earth auger drive units, mounts, augers, adapters, extensions, teeth, and accessories, rest assured that Premier is the single source for all your earth auger needs.

PREMIER POWER

Premier hydraulic earth auger drive units utilize the power of the host machine to turn it into a high-performance drilling machine. Without leaving the vehicle seat, an equipment operator can dig countless holes in the harshest digging conditions. Fence posts, foundation footings, tree planting, utility poles, and many others that require vertical or angled holes are at their control.

PREMIER VERSATILITY

Premier earth auger attachments adapt to skid steer loaders, mini skid steer loaders, wheel loaders, tractors, backhoes, excavators, forklifts, cranes, digger derricks, mini digger derricks, and other hydraulic machinery. The Duo-Tach™ Mounting System (Patent Pending) allows attachments to fit both Mini Skid Steer Loaders and Full-Size Skid Steer Loaders.

PREMIER SERVICE

With the best lead times in the industry, we provide the best solution for your digging needs with the best delivery date possible.

PREMIER WARRANTY

Premier Attachments takes great pride in the quality and reliability of our products. We offer the best warranties in the industry.

MINI-SKID LOADER AUGER DRIVES (MS-SERIES)

Premier Attachments produces three Mini Skid Steer Auger Drives specifically designed for the hydraulics GPM and PSI of this popular machine. These Medium-Duty Auger Drives are cost-effective, powerful, and designed to maximize the hydraulics of the various machinery available.

- 3 Year Warranty
- We offer mounting brackets that include the Universal Mini Skid Steer mount as well as the Bobcat MT mount
- A full range swivel that allows the auger to hang plumb to the ground at any angle
- Output shafts available in 2" hexagon and 2-9/16" round

SKID STEER, TRACTOR, & MINI-EXCAVATOR EARTH AUGER DRIVES (MD-SERIES)

Premier Attachments offers five models in the Standard Duty MD-Series Auger Drives. The Standard Duty auger drive is designed for light to moderate drilling conditions at competitive prices.

- No drain line is required
- 3 Year Warranty
- All Auger Drives are designed and engineered for the higher hydraulic pressures of today’s equipment
- Universal Skid Steer mount is an industry standard for all makes and models, however we do offer late model obsolete mounts for those older machines
- Output shafts available in 2” hexagon and 2-9/16” round

SKID STEER & MINI-EXCAVATOR
EARTH AUGER DRIVES (H0-SERIES)

Premier Attachments offers four models in the Heavy Duty H0-Series Auger Drives. The Heavy-Duty auger drives are built with industrial grade components for the toughest of drilling conditions.

- No drain line is required
- 5 Year Warranty
- All Auger Drives are designed and engineered for the higher hydraulic pressures of today's equipment
- Universal Skid Steer mount is an industry standard for all makes and models, however we do offer late model obsolete mounts for those older machines
- Output shafts available in 2" hexagon and 2-9/16" round
- Premier's proprietary Labyrinth Seal allows for multiple sealing surfaces within the seal to defend against dirt coming in and oil leaking out. The five different seals outperform the basic double seal used by other manufacturers.

HIGH FLOW SKID STEER & EXCAVATOR EARTH AUGER DRIVES (H0-SERIES)

Premier Attachments offers nine models of the Heavy-Duty High flow Auger Drives. Our Heavy-Duty High Flow auger drives are specifically designed to maximize the high flow capability of torque and speed.

- No drain line is required
- 2, 3, and 5 Year Warranty
- All Auger Drives are designed and engineered for the higher hydraulic pressures of today’s equipment
- Universal Skid Steer mount is an industry standard for all makes and models, however we do offer late model obsolete mounts for those older machines
- Output shafts available in 2” hexagon, 2-1/2” hexagon, 3” Hexagon, and 4” Square

AUGERS

STANDARD SINGLE & DOUBLE FLIGHT AUGER

- One-piece cast steel boring head
- Hardened bolt-on gage teeth on outside positions
- Hardened bolt-on wisdom teeth on inside positions
- Hardened Fishtail Pilot
- 2” round, 2-9/16” round, 2” hex collars
- Available in 3’, 4’, 5’ and 6’ lengths

AGGRESSIVE DOUBLE FLIGHT AUGER

- Heavy-duty cast steel boring head
- Hardened drive-in gage teeth on outside positions
- Hardened drive-in chisel teeth on inside positions
- Hardened Fishtail Pilot
- Heavy-duty double flighting
- 2” Round, 2-9/16” Round, 2” Hex
- Available in 3’, 4’, 5’ and 6’ lengths

TREE AUGER

- Two-diameter design
- Fabricated boring head
- Hardened bolt-on gage teeth and wisdom teeth with hardened Pilot
- Heavy-duty double flighting
- 2” Round, 2-9/16” Round, 2” Hex
