LANDSCRAPERS - AUTO-DUMP

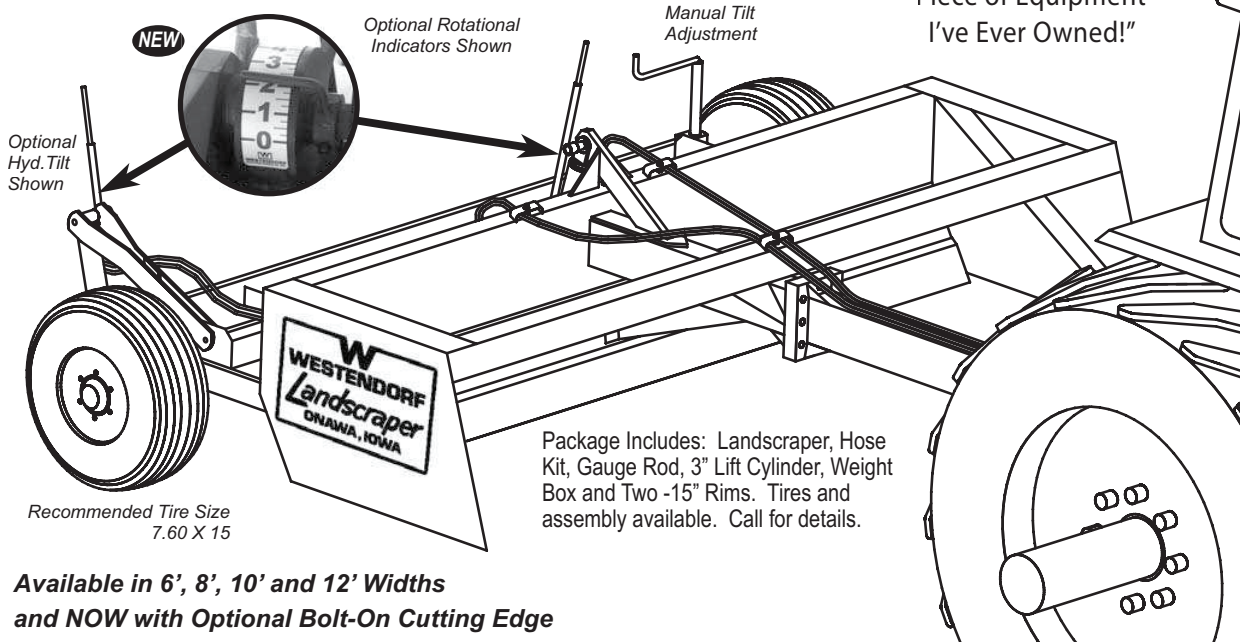

LANDSCRAPER™

The Westendorf Landscraper™ has a 6" high carbon steel cutting edge and extra strong tongue constructed of square tubular steel. Adjust right and left sides independently to provide 0-12" tilt of the cutting bar.

Optional hydraulic tilt cylinder and jack stand for easy hookup.

"The Most Versatile Piece of Equipment I've Ever Owned!"

Available in 6', 8', 10' and 12' Widths
and NOW with Optional Bolt-On Cutting Edge
