

# ELSTON MANUFACTURING INC.

## GOPHER GETTERS

Proven Solutions for the Control of Gophers

Over 50 years of experience  
building gopher getters

**Fast**—Treat up to 10 acres an hour

**Safe**—Places bait underground out  
of reach of other animals

**Adjustable**—Depth, application rates,  
and bait type are adjustable to  
maximize effectiveness

**Flexible**—Models available for infestations  
of a few acres to thousands of acres

# GOPHER KILLERS
