LIMB SAW

LIMB **SAW**

Boom Pole Mounted Hydraulic Chain Saw

A Cut,
ABOVE AND BEYOND.

 **GENERAL
IMPLEMENT**
DISTRIBUTORS

LIMB SAW

Overhanging limbs can take over trails and fence lines. Now you can recover lost ground by limbing and trimming from the seat of your tractor or skidsteer.

The HLA Limb Saw is a hydraulically powered chain saw, mounted on a 12 foot boom pole. Combined with your loader height you now have the ability to reach over 20 feet. The Limb Saw's boom also allows you to reach over ditches and other obstacles and get to those hard to reach branches.

Gain access to valuable land and potentially increase yield from your fields. Tame unruly fence rows, allowing large equipment to get into all areas of your fields and prevent equipment damage from overhanging branches.

Eliminating ladders and climbing, you and your HLA Limb Saw will make short work of tall jobs.

Cutting

Using standard bars and chains makes it easy to find replacements, allowing you to trim those hard to reach places.

Driven

The Hydraulically driven saw powers through branches, cleaning up trails to prevent vehicle damage.

Reach

The 12 foot boom gives you the ability to reach over 20 feet. Allowing you to reach up or over ditches and obstacles.

- Limb from your seat - No ladders or climbing
- Automatic chain oiler - Less down time
- Hydraulic drive - Reliable cutting power
- Uses Standard bars and chains - Easy maintenance
- 12 ft. Boom - Equals over 20 ft. reach
- Approx. weight: 380 lbs.

HLS1224

- Cut tree limbs from the safety of your skidsteer or tractor
- Automatic chain oiler
- Standard Stihl 25" guide bar and saw chain for easy replacement
- Up to 14' reach with spring tension cut assist
- Requires 15 GPM @ 3000 PSI
- RPM: 2550 @ 15 GPM
- Power: 22 hp
- Torque: 45 ft-lb

Hydraulic Limb Saw	Weight	UOM	Part #	Price Code

Brooms - Hydraulic Rotary

BRB84

- Ideal for cleaning up parking lots, construction sites, streets, curbs and gutters as well as parks and recreation areas etc.
- Includes hydraulic hoses and flat-faced couplers
- 26" diameter poly/steel bristle wafers
- Direct motor drive on broom
- Hydraulic requirements: 12-20 GPM @ 1500 - 3000 PSI
- Front gauge wheel
- Reversible broom rotation for sweeping away from doors etc.
- Bucket features a replaceable hardened 3/4 x 6 double bevel cutting edge
- Optional dust suppression water kit available

Hydraulic Angling

Lateral Float

Poly Gauge Wheels

Forward Float

**Direct Motor Drive
on Broom**

**Available With:
26" Diameter
Poly Wafers or
Poly/Steel Wafers**

30°

Both sweepers angle 30° left and right

72" sweeper weight approx. 955 lbs.

84" sweeper weight approx. 1070 lbs.

Brooms - Hydraulic Rotary

Prices Effective as of 3-24

BR72

- Unique lateral and forward float
- Gauge wheels
- Includes hydraulic hoses and flat-faced couplers
- 26" diameter poly/steel bristle wafers
- Hydraulic angle 30° right and left
- Direct motor drive on broom
- Hydraulic requirements: 12-20 GPM @ 1500 - 3000 PSI
- Optional OEM connection wire kit
- Equipped with 50/50 poly steel bristles (optional all poly)
- Optional Kit to reverse broom rotation for sweeping away from doors etc.
- Optional dust suppression water kit available

CFSB60

- Reduces back breaking manual labour
- Transports and cleans up easily
- Hauls up to 13 cu. ft. of concrete
- Eliminates the need for a wheelbarrow
- Works great in tight areas
- Attaches to most skidsteers
- Easy to attach and use
- 19" deep x 36" long
- 12" x 12" discharge opening

Skidsteer Grader

GB84

- Push-pull design for grading in forward or reverse
- Pneumatic swivel wheels with tapered roller bearings on king pins, on oscillating front axle
- Tapered roller bearings on axle oscillation pivot
- Removable shims on main oscillation pivot to keep wear joint tight
- Two 2 1/2" x 6" cylinders provide cross-slope operation
- Reversible cutting edges
- Universal laser mast mount
- Levels consistently within 1/4" of target grade
- Control valve included, does not include laser or grade control electronics

Skidsteer Laser Grader	Weight	UOM	Part #	Price
Skidsteer Laser Grader	1610 lbs	ea	SLG84	\$28,567.00
Optional 90" Hose Kit c/w Flat Faced Couplers			HK90	\$324.00
Optional Spring Hose Mount Kit			SHMK	\$147.00

Skidsteer Grapple (Popular Package Pricing)
