

LINEWRAP Remote Handset – 11232

5/15/14

➤ **PRODUCT INFORMATION:**

- ❖ Model: BW1000
- ❖ Effective Serial #: 412271
- ❖ Status: Informational
- ❖ Warranty Allowance: N/A

➤ **DESCRIPTION:**

- ❖ The new style Remote Handset will be included with any BW1000 LINEWRAP that has a remote kit on it starting with the above serial number. The new style remote can be charged just like a phone, plugging into your phone charger. (mini plug like a Droid)
It takes approximately 1 hour for a complete charge and should typically last for a season under normal conditions. However, 15 minutes of charging will get you going for the day!

➤ **NOTES:**

- ❖ If a customer needs to replace his (Generation 3) old style remote, the new style remote will replace, and program easily to some previous LINEWRAP control boxes from Kar-Tech with the following remote part numbers;

Compatible Kar-Tech Remote P/N's (P/N on the back of remote) – 3A0102B, 3A0112B, 3A0312A.

➤ **INSTRUCTIONS:**

- ❖ N/A

➤ **PART NUMBER:**

- ❖ New Style Remote Handset – 56899

➤ **WARRANTY INFORMATION:**

- ❖ N/A
