Prices Effective as of 3-22

## HLL Series swivelling box blade land levelers

HLL option -  
Premium Level Indicator

The HLL is designed to be used with utility tractors from 40 to 110 HP (30-82 KW). Best in its class in terms of strength and durability, the HLL box scraper can level almost any type of surfaces from gravel roads to fields. Tilt and height functions are controlled by 3 cylinders.

**Blade Height:** 30" (76 cm)
